

**Traverse Bay Area Youth Soccer** would like to congratulate all the TBAYS rec teams, North Storm select teams, and the NorthStar select teams that played in the Cherry Capital Cup Tournament. All teams did a great job and hopefully had a great experience. Congratulations to North Storm 97 and North Storm 95 for winning their division; also to North Storm 96 and North Storm 94 for making it to the Finals. We would also like to recognize a team who went undefeated and because of bonus points were not able to play in the final, TC Freeze.
